

CHRISTMAS SHUTDOWN

We will be closing at 1.00 p.m. on Wednesday, 21st December and reopening on Wednesday, 4th January at 8.00 a.m. May we take this opportunity to thank you for your business in 2005 and wish you a merry Christmas and a prosperous New Year.

NEW ITEMS

We have introduced many new items into stock including a small selection of tools. All of these items will appear in a refreshed price list due early next year.

TRELLIS & CLASSIC RANGE

We now have, in stock, various types of trellis, together with the panels from our new Classic Range.

By now you should all have received our Classic Range brochure. These items are being sourced through our main mill in Northern Ireland, A. Diamond & Sons. Many of you will associate them with service and quality and, having seen the products myself prior to launching the range, I found the quality to be excellent. Some of you will recall our previous failed attempt to offer such a range some two years ago with Jagram products. We know, this time, we will be able to supply these items!

E-MAIL ORDERS & ENQUIRIES

Orders and enquiries can be sent through by e-mail to:
davidgodsmark@btconnect.com

COLLECTION FROM YARD

As we now have up to 4 yard staff, we want to create a system whereby customers call at the office **FIRST** to obtain their paperwork and then are loaded by our yardstaff.

We fully accept that many customers have had 14 years of self service and now have a habit of loading themselves so it will take you a little time to get used to our system changes.

PRICES AND 2.5% INFLATION

We have become alarmed at the number of price rise letters arriving over a large range of products. One recent one listed 24 different products increasing in price from 4 to 30%, averaging a 13% increase. We have forwarded a copy to our local M.P., George Osborne, so he can ask Tony, where is his 2.5% inflation?

As for ourselves, we are trying to maintain current price levels for as long as possible, but while we intend to hold the vast majority of our prices there will have to be some minor revisions.

WEBSITE

We hope to shortly have a website up and running and will advise details in the New Year.

ACCOUNTS

Apologies for the error on our first batch of statements which were actually dated 30-10-05. We are slowly, but surely going over to computer and you will have correct information and statements shortly.

Could we please remind all customers that our terms are net monthly account, which means goods received in January become due for payment at the end of February.

YOUR DETAILS

Could you please provide us with your e-mail address, if you have one and re-confirm your post code.
