We have been notified of a further price rise affecting some sawn stock items and brown treated Direct Deliveries.

Rather than increase all our sawn timber stock prices we have been able to identify particular items which are likely not be affected by this increase to help minimize the impact of the increase on customers.

The increase will take effect from, 5th March and will be 10%.

Items not increasing are :

All 100 x 100 posts
All gate posts 125 x 125 and larger
