

Price Lists / Trade Card Application

We enclose our up to date price lists as requested. As you will see, with the exception of the 'Tools' and 'Waney lap' prices, our price lists are subject to a percentage discount, depending on the value of the order.

If you are a 'Genuine' Trade customer you can apply for our 'Trade Card'. This will entitle you to at least 30% off all discountable items.

To receive your trade card please send us as many items as possible from the following list.

Company letterhead or compliments slip or Business Card and company registration number.

Copies of 2 invoices from other suppliers showing Business name.

Alternatively, if you cannot provide this information then once you have traded with us for a time, and we have got to know you, we can then issue you with a trade card.
