 Chelford Road Ollerton Knutsford Cheshire WA16 8SZ

GrasseDeck is long lasting, hard wearing and easy to maintain, ideal for small gardens, courtyards and patios.

GrasseDeck® brings a new dimension to standard decking, creating a softer aesthetic and working well in contrast to hard landscaping materials. Elegant, sturdy and featuring artificial "grass" on treated softwood boards, GrasseDeck® is easy to maintain and is ideally suited for domestic use within gardens, courtyards, balconies and around spas and swimming pools.
